Daytime Phone (if different):

Email (for important farm notices and our e-newsletter only):

Agreement (Required):

My membership entitles me to a unique opportunity to buy fruit, vegetables, maple syrup and wines direct from Black Creek Farm for the harvest season from June to August. I understand that availability of produce will be noticed to all members, but purchases will be on a first come-first serve basis and supplies may be limited. Crop failure or other events pose risks that may diminish availability. I understand that a delay in picking up my order could result in a decline in its overall quality.
