Agreement (Required):

I understand that my membership entitles me to a unique opportunity to buy fruit and vegetables direct from Black Creek Farm for the harvest season from June to August. I understand that availability of produce will be noticed to all members, but purchases will be on a first come-first serve basis. I also understand the risk that crop failure or other events pose that may diminish the harvest. I understand that all produce I purchases from Black Creek Farm will be naturally grown using fertilizers and pest controls approved for organic farming unless otherwise indicated.
